TEAM SAFETY AMBASSADOR (TSA)

- **All teams must assign a Team Safety Ambassador (TSA) for the season.**
- The TSA must be a registered player and identified using the "Co-Captain" label in your online roster.
- Teams must email the SSC office to confirm the TSA prior to your first game. Failure to comply will suspend a team from game play.
- **TSA Role:**
 - Watch a pre-season Safe Return to Play training video.
 - Keep a record of attendance at each game. This record may be called upon for contact tracing.
 - Ensure individual wellness checks "COVID-19 Self Screening" are completed by each player prior to each game.
 - Ask players to leave the game if they arrive showing symptoms of cold or flu.
 - Ensure physical distancing measures are enforced by your team. Physical distancing of two meters is mandatory when players are arriving on-site, playing the sport, resting/sitting on the sidelines, and departing the game.
 - Sport-specific rules may adjust physical distancing measures taken on the playing surface.
 - Players must always stay within their designated bench or standing area while not on the playing surface.
 - Ensure your team follows posted ENTER / EXIT signage at facilities (controlled traffic flow).
 - Remind all players to arrive on time and leave immediately after the game is over.
 - Ensure your team is following the equipment sanitization requirements for your sport.

Remain in your vehicle until the playing space has been vacated by the previous teams. Do not loiter or linger unnecessarily. • Physical distancing of two meters is mandatory when players are arriving on-site, playing the sport, resting/sitting on the sidelines, and departing the game. Directional signage will be posted onsite when possible to ensure physical distancing is followed.
EQUIPMENT	<ul style="list-style-type: none"> • Teams are required to bring one official Ultimate disc and 6 pylons to every game. • Teams are required to wash/sanitize the disc and cones before and after the game. • Do not share your disc or cones with other teams. • At halftime, teams must either sanitizing the game disc or replace with a newly sanitized disc. • Teams are encouraged to swap out discs or re-sanitize discs often. • Teams should bring both light & dark coloured t-shirts to help distinguish opponents. • Metal cleats are not allowed.

GAME & FIELD SET-UP	<ul style="list-style-type: none"> • Team captains should meet before the start of the game to set-up the field with the required pylons. Captains must maintain a 2-meter distance. • To view a diagram of an Ultimate field set-up, click on the pdf document in the rules section. • Please check the online SSC schedule for a specific map of the facility and field orientation (when available). • The field set-up includes: <ul style="list-style-type: none"> ○ Total field length (60 paces) ○ Between the end zones (50 paces) ○ End zones (each 5 paces) ○ Total field width (35 paces) ○ A pace is approximately 3 heel-to-toe steps. • If a disc from another game lands on your field, do not throw it back. Let a player from another field pick up their disc. • If a field shares a sideline with another field, neither group should use the communal sideline. • If opposing teams must share one sideline, they are required to stay on their half of the field. • No handshakes or high fives between teams – All greetings and congratulations should be vocal.
GENERAL GAME RULES	<p>In general, SSC plays by official <u>USA Ultimate 11th edition rules</u> , for example:</p> <ul style="list-style-type: none"> • To start the game, teams decide who gets first possession by flipping the disc while maintaining physical distancing. • Teams are responsible for keeping score & time. • Each point begins with both teams lining up behind each of their goal lines. The defense throws ("pulls") the disc to the

	<p>offense.</p> <ul style="list-style-type: none"> ○ Players on the pulling team may not cross the goal line until the disc is released by the “puller”. ○ Players on the receiving team must have a foot on the goal line and can only move once the disc is released by the pulling team. ○ If either team fails to maintain proper positioning before the pull, the other team may audibly announce “off-side” and a re-pull ensues. ○ Players are required to be physically distanced at the goal line. <ul style="list-style-type: none"> ● The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc "thrower" has ten seconds “stalls” to throw the disc. The defender guarding the thrower "marker" counts out the stall count. Effort should be made to make this announcement and any subsequent stall counts away from the thrower’s face. The defender will silently count the first five (5) stalls silently rather than state them out loud. On the six (6) stall, the defender will count aloud until stall 10. ● When stalling, maintain 2 meters from your opponent who is trying to throw the disc. ● Instead of checking the disc, a defensive player can raise 2 hands to acknowledge a game restarting in the following situations: <ul style="list-style-type: none"> ○ After the disc travels out-of-bounds ○ After a foul is called or an injury occurs ○ After invoking the middle rule while receiving a throw-off ● When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense. ● The disc may travel out of bounds and return in bounds and still be played, as long as it has not contacted anything in the out of bounds areas. ● Zone defense is recommended, and players are reminded that Ultimate is a non-contact sport. ● Teams may call a one (1) minute time-out if needed, except in the final 10 minutes of play. ● When the game time runs out the game is considered over, and the current point is not finished. ● A game can end in a tie during the regular season (ties are not allowed in playoffs).
<p>SPIRIT OF THE GAME</p>	<ul style="list-style-type: none"> ● Ultimate relies upon a spirit of sportsmanship that places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed upon rules, or the basic joy of play. Protection of these vital elements serves to eliminate unsportsmanlike conduct from the Ultimate field. Such actions as taunting opposing players, dangerous aggression, belligerent intimidation, intentional infractions, or other 'win-at-all-costs' behaviour are contrary to the Spirit of the Game and must be avoided by all players. ● It is our hope that more experienced teams will assist in the promotion and clarification of the spirit of the game and the rules. If a team or person is unclear on something, explain it to them to enhance the Ultimate experience and not to put them at a disadvantage. This will ensure that all games that are played are heading to a higher and more enjoyable level.
<p>VIOLATIONS & MAKING CALLS</p>	<ul style="list-style-type: none"> ● The offending player should call their own infractions, however any players involved with the infraction can also make a call. When a foul is called, play must stop immediately. Absolutely no contact with an opponent, whether this be intentional or accidental. ● Foot blocks, pick and screens are not permitted and are considered fouls. ● Players not on the field at the time of the incident cannot make a call.
<p>PLAYOFFS</p>	<ul style="list-style-type: none"> ● There are no playoff games, trophies or prizes this Sprummer season, however, scores and standings will still appear on our website.

REMEMBER... ALWAYS HAVE FUN AND PHYSICALLY DISTANCE!
